CAREER PROFILE

Hi! My name is Max Leonov and I am a software developer. I was born in Kryvyi Rih city, Ukraine in 1988.

I enjoy parallel computing, web programming and travels. Cooking is my hobby.

As a professional, I have more than 5 years of successful experience in commercial software development. I have experience in designing and developing high-loaded systems and API for mobile applications. I also designed and developed the asynchronous distributed computing systems.

Always open to new opportunities. Feel free to contact with me.
